Sir,

I have the honor to submit for the Chief Commissioner's favorable Consideration and sanction the accompanying Statement shewing the amount of remission which will have to be granted on account of Municipal House Cess in the Bangalore District for 1873.74.

2. Items 1 and 2 call for no explanation (as 1 is a Government building and 2 is a mosque) save that the Amildar charged the cess thereon inadvertently.

3. With regard to the 3rd, 4th & 5th items the reasons for not selling the several houses and waste building sites in satisfaction of the Government demand are explained in the accompanying copy of a letter from the Deputy Commissioner of the Bangalore District No. 505 dated 10th Instant.

6th Sanction of the Govt of India has been applied for to the alienation of land mentioned in Statement No 23, and for its assessment (1.R. 8a. 8p. 9) being written off the accounts.

7th Attention is invited to a want of agreement between the figures denoting the area of the land particularized in Statement No. 24 and that shewn in the Sheikdar's Jamaish Putty. The Dy Commr should be directed to ascertain the exact area taken up and arrange for payment of compensation. Cases of this kind do not fall under the category of alienations of State lands. If payment of compensation is considered necessary, a separate

4. From the Vernacular proceedings sent up in connection with the application, made in Statement No 20. for the grant of 2 Goontas and 26 Sq yards of Govt waste land for building purposes, it is evident that the land in question was used by a ryot as a threshing floor and that the present applicant (who is said to have bought it at an auction) has already erected a building thereon without the sanction of the authorities. Order. To avoid frequent references being made to the Govt of India in cases in which their sanction is, under the existing rules relating to the alienation of State lands, required for the permanent remission of assessment on occupied lands granted for building purposes, the Chief Commr directs that a yearly statement of such grants be submitted by the Commrs of Divisions at the close of every official year, shewing alienations of assessed lands made during the year in the form circulated with this Office docket No. 2486–17 of the 7th August 1872, together with full particulars of the grounds of grant in each
